

**YMCA National Gymnastics
March-In
“Show Your Y Spirit”**

**MAKE A GREAT IMPRESSION AT OUR
OPENING CEREMONIES!**

This year's State/YMCA Banner event will be a little different than in past years. We are asking each team to bring a banner identifying their state and YMCA affiliation to carry in Sea World as we march into Shamu Stadium. It should be light weight and approximately no wider than 50" and approximately 30" tall. We encourage teams to express their Y/State spirit in the following suggested manner;

- Decorate hats, visors, caps, tee shirts and shorts
- Wear foot wear conducive to walking in a theme park
- No props, costumes or large items due to security and safety restrictions in the park. These may be confiscated by Sea World security staff if not appropriate, so please do not bring them with you (you may also go to Sea World's web site to review security restrictions regarding bags and backpacks – they all will be checked upon entering the park).
- There will be no judging of the banners due to space issues at the park- just be sure you bring one so your team is recognized!

Banners will need to be folded or stashed during the Opening Ceremony and Shamu Show – please have a coach or responsible party take responsibility for this. Sea World Staff will not be able to hold or stash them for you.

We look forward to all teams displaying their “State and Y Spirit” and encourage you to follow the guidelines provided to ensure a safe and fun day at Sea World!

LET YOUR CREATIVITY SHINE!
